

Think of Last Summer--

You can remember days when the heat inside your kitchen was so great you could hardly bear it. With the right stove you would have made a better hostess. Save your health. Don't put up with the drudgery of a coal range. You can have a clean, cool, pleasant kitchen. The

New Perfection Oil Cook-stove

does away with all drudgery of cooking. Why should you be a slave to a coal range when you can have an Oil Cook-Stove that is cheaper than coal, cleaner than coal, doesn't "smell," doesn't smoke, lights instantly, can be put out instantly, leaves no ashes, and doesn't heat the kitchen. With one of these stoves you can boil, bake or roast the most elaborate dinner. You can change from a slow to a quick fire, or the other way about, by simply turning a wick. The stove has every convenience that can be thought of. Cabinet top with shelf for keeping food and dishes hot, drop shelves to hold coffee or teapots, towel rack; in fact every convenience possible.

The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive.

OVERLAND SIMPLICITY.

What is the keynote of the remarkable success of OVERLAND CAR? It is that it makes this car the choice of many thousands of people; the joy of its possessors and the envy of the competitors? Matchless Simplicity? This car is so simple a child can successfully operate it. It is so economical that its upkeep is a very small item. Sturdy and trouble free. So reliable that Miss Blanche Scott, of Rochester, N. Y., is now touring without masculine aid to the Pacific in a Model No. 28. Watch her daily progress on our window map!

Alexandria Gazette.

THURSDAY EVENING, JUNE 9.

CHARGED WITH CONSPIRACY.

That the Southeastern Underwriters' Association makes and controls all fire insurance rates in Virginia and other southern states, that the companies affiliated with the association pay heavy toll to the organization, and that the association will not allow the independent companies to write insurance in the association's territory at a lower rate than that prescribed by the association was the testimony of the officials of two Virginia fire insurance companies yesterday at the trial of the 23 officers of the Southeastern Underwriters' Association, before Police Justice Brown, at Newport News, on charges of unlawfully conspiring to control fire insurance rates in Newport News.

Before the examination of the first of the insurance officials had been concluded Commonwealth's Attorney Berkeley announced that the state had, in its judgment, practically proven its case. However, he did not rest and a score of others will be heard before the defense begins putting on testimony. Only 12 of the 23 officers who were arrested at Hot Springs, Va., on May 17, appeared yesterday for the trial.

Captain Berkeley moved to declare forfeited the bonds of the 11 men who failed to appear, and Justice Brown stated that he would certify the matter to the Corporation Court and that argument on the motion would have to be made there under the law. The men are out on \$500 bail each, and their counsel announced that the absences were represented through counsel.

Only three witnesses were heard yesterday and the case was bitterly fought by the attorneys throughout the morning and afternoon session.
